## Abstract (2) to write a critical analysis of a case study of a chosen f terrorism of political violence: The work they produce; therefore, when done well, is worth... ng with the broader public, as well as of course with students in ensuing cohorts. 2. Methodology I set up a WordPress website in June 2015, called Socratic Hive, on which I curate and publish the best past essays: s are of publishable quality, which is why only the top essays . I act as sole curator/editor, hence as guarantor of academic

4. Benefits

This teaching practice provides: existing students with model essays (thereby clarifying standards for good performance), potential students with a sense of what the module and indeed studying at Loughborough has to offer, published students with a sense of pride and self-esteem, HE colleagues elsewhere with a model of best practice, and the wider world with excellent analyses of particular
